

101 Secrets of Highly Successful People

Accessing the higher levels of human genius and motivation in today's new reality requires a new mind-set, a new skill-set, a new tool-set. One of America's most widely-published authors, Horace Martin Woodhouse, identifies 101 articles of faith that make leaders more effective in their personal and public lives. These words of wisdom offer a reminder of the importance of individual vision and commitment as they display values, purpose and beliefs, aspirations and philosophy. It's a fascinating view into the individual influences on a remarkable group of accomplished men and women. You'll love discovering the secrets of their success.
