

The Perfect Basketweave Stitch for Needlepoint

Basketweave is one of the most versatile stitches in needlepoint yet for many, this stitch is confusing. This book explains how to stitch Basketweave, rules for lovely results and how to correct mistakes. You will have instructions on how to create Basketweave with graphs and photos. For left handed people, we have two methods.

Information for working on mono, Penelope and interlock canvas are all mentioned. How to work stab and sewing method, pre-worked canvas and ripping are also explained in detail. To help the reader understand the difference between Basketweave, Continental and Half Cross, instructions on the other two stitches are taught. When you read this book, the author is sure you will have a complete understanding on this fun stitch.
