

## Elegant Needle Designs Virtuos Woman Sampler cross stitch pattern

Want a unique design chock full of specialty stitches, pulled thread, cut work, and more? This is the right pattern for you!!!! Bees says A virtuous woman who can find? She is worth far more than rubies. She selects wool and flax and works with eager hands. In her hand she holds distaff and grasps the spindle with her fingers. When it snows, she has no fear for her household; for all of them are clothed in scarlet. She makes coverings for her bed; she is clothed in fine linen and purple. She makes linen garments

an sells them, and supplies the merchants with sashes. Her children arise and call her blessed; her husband also, and her praises her: charm is deceptive and beauty is fleeting, but a woman who fears The Lord is to be praised. This is a perfect project to learn the stitches. Clear diagrams and instructions. This will be an epic project and learning experience. Charted like a needlepoint pattern so might take a minute to grasp it. Pattern only. But it is 14 pages of knowledge!! If you have any questions please remit them to elegantneedledesigns@gmail.com
