

## Assassins Creed - Hawk

When Desmond Miles is called away on an urgent mission, he entrusts fellow Assassin Jonathan Hawk with File 24. Hawk sets out to search for the Scepter of Isis a powerful ancient artifact, lost in time. Through his Assassin ancestor, El Cakr, Hawk travels to Egypt in 1257, where the Scepter lies in the hands of the new Sultan. Pursued in the present by the formidable Templar agent Vernon Hest, Hawk finds himself in a race against timethroughout time. The first of three fantastic new albums in the second cycle of Assassins Creed graphic novels from Ubisofts Les Deux Royaumes, published for the first time in the English language, Assassins Creed: Hawk is the continuation to the exciting, fast-paced Assassins Creed comic series, featuring an all-new Assassin in an all-new era!
