

## Abracadabra A Book of Magical Wisdom

Abracadabra is a book of magical wisdom that will take you on a wondrous journey through life's territories of darkness and light, good and evil, villains, angels, and heroes. A know-how guide for practical and elevated travel through all realities will spark your journey. This book not only gives tangible guidance on how to use your power to create a magical life it will also guide you in discovering what it is you truly desire and how to create it. So use this book as a road map to find your own path and stake a claim on your real fortune. The first step is to imagine our way, the second step is to believe it!
