

Warmans Depression Glass: Identification And Price Guide (4th Edition)

Once an inexpensive gift often given away, Depression Glass is one of today's most sought after collectibles. This essential guide gives collectors current market values for 5,000 items that often carry sentimental, as well as financial value. This comprehensive guide delivers double the photos as previous editions, and the most specific identification process of any guide on the market today. In this book, expert and beginning glass collectors will find: 300 detailed colour photos and 170 patterns help with identification and pattern recognition, background information to help collectors be savvy sellers and buyers in the more than 7,000 daily eBay auctions devoted to Depression Glass. It also includes a library showcasing the evolution of plated shapes over the years.
