

Echoes From Eternity

There are thousands of books and articles on "metaphysical" subjects such as the meaning of life, the nature of God, the teachings of various religions, reincarnation, life after death, the various disciplines such as astrology, numerology, tarot, ESP research, healing, and many others. Is there a "Golden Thread of Wisdom" which encompasses a broad based understanding of the essential truths of these teachings? Is there a primer where one can learn the fundamental concepts, the common denominator present in most spiritual teachings? There is Now, in Tony Fisichella's *Echoes From Eternity*. For the first time, here is one book which ties together the ancient and modern teachings about human life which answers the basic questions that most thinking people ask...Who am I, where did I come from, what am I doing here, where am I going? Here is the impetus which can inspire you to brave new discoveries about yourself, provide you the reference you need to help solve practical problems, find the direction you seek, and to more deeply understand the teachings of great religions in their true context. Here is a book which can excite new activity within your awakening Soul and truly change your life. *Echoes from Eternity* is the "Re-release of the previously published *Metaphysics: The Science of Life*" (no longer in print)
