

A brilliant young toymaker risks his entire company for his factory's newly produced android, Tiffany. But when he falls in love with his own creation and she's already been sold to the most powerful man on Earth, getting her back becomes his greatest passion — and his own destruction! Inspired by the ideas and lyrics of Fall Out Boy, Fall Out Toy Works brings the magic of innocence to life as both a toymaker and his invention set about learning the true secrets of life. Created by Fall Out Boy visionaries Darren Romanelli (Dr. Romanelli DRx) and Nathan Cabrera, this trade paperback collects Fall Out Toy Works #1-5, and includes interviews with Pete Wentz and Darren Romanelli, plus a sketchbook section revealing the origins of the designs for the project.
