

Genesis- Jensen Bible Self Study Guide (Jensen Bible Self-Study Guide Series)

Genesis is the book of beginnings. In it we have the account of the creation of the universe and all that is within it. In the book of Genesis we see God putting into action the plan He has had eternally for mankind. This self-study guide will help you as you study, through fortune organized lessons, each facet of Gods program. Charts, maps, and diagrams appear throughout the study guide and will give you a greater understanding of this unique, foundational book of beginnings. The books in the Jensen Bible Self-Study Guide series are designed to provide you with a broader understanding of Gods Word. Offering historical context and background, author information, charts, and other helps, these books will equip you with a comprehensive reference tool youll return to often. Each study includes an opportunity for analysis, response, and further study in a response-oriented format. The thirty-nine books in this series are suitable for both personal and group use.
