

## Job Hunting Secrets They Dont Tell Us About: How To Get Any Job You Really Want (Success By Design) (Volume 4)

Job Hunting Secrets Nobody Tells Us About is an inspiring career and personal development book to assist anyone to get any job they really want. The book contains the authors personal testimony on how he obtained every job he really wanted, including becoming an executive flight attendant for Fortune 500 Companies, an Academy Award Winning actress, Grammy Award Winning music artists, and many other affluent clientele. He encourages readers to explore ideas that they never considered towards their job search. The Job Hunting Secrets Nobody Tells Us About book reveals why much of the career advice on the market today are what most job seekers are using, and the Internet entertains millions of job seeking sites having job seekers competing against each other with the same rehashed methods. The book reveals that there is no need to compete. The job is yours, if you really want it. Now in the 21st Century, there are more effective methods towards getting that dream job. These methods include the habits of very successful people and corporations whose tactics and principles must produce results. Some of these habits and principles have propelled small companies to reach Fortune 500 status.
