

# How to Be a Business Superhero: Prepare for Everything, Train with the Best, Make your Own Destiny at Work

This fun and accessible guide offers super advice for business success. Top venture capitalist and self-proclaimed comic book geek Sean Wise reveals how to create a winning business persona through valuable strategies from great comic book icons. In this engaging and insightful guide, Wise takes readers on a guided tour through the world of superheroes and their lessons, directly relating them to essential business tactics people need to master in order to succeed in today's workplace. Featuring modern-day examples of business icons who best illustrate superhero strategies as well as cautionary lessons from infamous supervillains, this is the book for anyone who dreams of donning a cape instead of a suit, taking an oath instead of swearing at the copier, and seeing the big picture instead of getting mired in the daily grind.
