

Transfer Designs for Embroidery

More than 1,000 stylish designs to embroider including borders, flowers, butterflies, vines, garlands, fairies, an alphabet, Christmas decorations, and more are included in this wonderful collection of transfers. The patterns, which are accompanied by examples to guide sewers through their projects, can be adapted and combined for unique, stunning designs, and they can easily be ironed onto fabric with a section printed on actual transfer paper. A comprehensive resource for any embroiderer, these designs will enhance any project with distinctive, elegant stitching.
