

Jewelry Projects from a Beading Insider: Original Designs and Expert Advice from the Editor of BeadStyle Magazine

Jewelry Projects from a Beading Insider helps beaders to refine their skills and learn how to apply what they know to new, creative projects. Thirty all-new jewelry-making projects, plus alternates, set the tone for this book as fresh, colorful, and playful. These projects are organized into three categories including technique-based projects, material-based projects, and design focused projects. But more than projects, this insiders guide covers everything that is crucial to beaders such as expert tips, time- and money-saving tricks, inspiration, design trends, techniques, innovative materials and products, and most importantly, fun. The secrets, tips, and tricks are inspirational nuggets and are desirable, must-have ideas for aspiring beaders. Jewelry makers are sure to love this light and fun book that will make them feel like they are getting a private beading lesson from a girlfriend who just happens to be an expert!
