

Jumbo Comics #136: Featuring Sheena, Queen of the Jungle

Jumbo Comics was published from 1938-1953 for 167 issues. The series is best known for featuring Sheena, Queen of the Jungle. Sheena was the first female to get her own comic book. Now you can re-live (or, enjoy for the first time) these great adventures from generations past, with UP History and Hobby line of comic reprints. The comic reprints from Golden Age Reprints and UP History and Hobby are reproduced from actual classic comics, and sometimes reflect the imperfection of books that are decades old. These books are constantly updated with the best version available - if you are EVER unhappy with the experience or quality of a book, return the book to us to exchange for another title or the upgrade as new files become available.
