

Wonderful Common Sense

In 1955, doctors told Jim L. Wingrove that his severely broken his arm would be permanently paralyzed. Not wanting to accept this diagnosis, Wingrove asked for a second opinion. He met with another doctor, who relayed the same bad news: his arm would never work again. But Wingrove knew something the doctors didnt-he understood the incredible power of the human mind. He began a regimen of self-hypnosis and, miraculously, regained strength and mobility in his arm. In Wonderful Common Sense, Wingrove shares the secrets to his incredible recuperation. He will teach you to how to tap into your subconscious and regain control of your life. Through positive thinking and self-hypnosis, you will learn to unlock your mind and to dismantle the self-imposed barriers that prevent you from fulfilling your dreams. With deep study of Wingroves techniques, you will learn to create in your mind that which you desire. You can change your personality, improve your health, break bad habits, sharpen your memory, calm your nerves, raise scholastic marks, and bolster self-confidence. Anything you desire can be a reality. It is all possible through wonderful common sense.
