

Work Life 2000 Yearbook 1 1999: The first of a series of Yearbooks in the Work Life 2000 programme, preparing for the Work Life 2000 Conference in ... the Swedish Presidency of the European Unions

## Work Life 2000 Yearbook 1 1999: The first of a series of Yearbooks in the Work Life 2000 programme, preparing for the Work Life 2000 Conference in ... the Swedish Presidency of the European Unions

New technologies and the growing flow of information create new conditions for individuals who use these technologies in the workplace. The existence and application of modern IT systems can result in new forms of work, tasks that have actually emerged as a result of modern computer and other systems. This first Work Life 2000 Yearbook contains the proceedings of European workshops, organised by the Swedish National Institute for Working Life. These workshops illuminate many different aspects of working life in many nations.
