

Star Wars: Underworld - The Yavin Vassilika (2000-2001) #2 (of 5)

The race is on as Han Solo and Chewie search the planet Kalkovak for information leading to the legendary Vassilika of Yavin. Things get lively, though, when hardcore bounty hunters Bossk, Dengar, and IG-88 show up with a laundry list of grudges to settle! And theres nothing more explosive than bad blood between scoundrels! Throw in a swaggering Lando Calrissian, a seductive Jozzel Moffet, and a band of curious Jawas, and youve got yourself the fixings for a visit the locals arent too likely to forget!
