

Midnight: The Complete 6-Issue Series --- Classic 1950s Horro Comics - All Stories - No Ads

Ah...the HORROR of it all! Psychologists have pondered for years why we love to be scared, to see others scared, to read about scary stuff --- and no one really knows. The comics took horror to an entirely new level and by the late 50s and early 60s had reached a high level of artistry. In this volume we bring you the entire MIDNIGHT series from Ajax-Farrel --- every spine-tingling and hair-raising story! You can also find this series together with the complete MIDNIGHT MYSTERY series in the giant 350+ page CLASSIC COMICS LIBRARY #263! QUALITY NOTE - The fifth issue of MIDNIGHT is of poor quality. We are working hard to find a better version, and will replace this story as soon as one is located. See below for details on making sure you get your free copy when it is updated! RARE COMICS CAN BE HARD TO FIND IN EXCELLENT CONDITION. These books are reprinted from the best available images, and the books will be updated as new copies are uncovered. Sometimes the early and rarer books reflect the age and the condition of the originals. Many people enjoy these authentic characteristics.
