

Arizona Cardinals (NFL Logo Patterns Book 1)

This is an arts and crafts pattern for the San Francisco 49ers team logo. This pattern was hand made, and has been tested, stitched, and perfected for the following needlepoint formats: -Cross Stitch-Needlepoint-Latch Hook-Crochet-Knitting. The pattern is also applicable for many other uses, and can easily be modified or adapted for any medium you see fit. This pattern does not contain any thread/floss colors for DMC, or any other manufacture. This was intentional so as to leave you the choice of using whatever colors you want when creating your pattern.
