DOODLE-DOO! The name is Fox...Peck Fox and Im a space chicken from the far side of the Andromeda galaxy. Where Im from we dont get a lot of free time and I was tired of working for the army so I took a ship called the LiL Nugget and began to travel the stars looking for adventure and great deals on comic books. Sadly I ran out of gas and crashed on the only planet in the area, Urph. Now here is where the real adventure begins.
